Gamma-Rho Brother Elected to Grand High Zeta

Rodger Lalli, GP 1894 Named Grand High Delta

When **Rodger Lalli, GP 1894**, an honorary initiate from 2000, speaks of $\Lambda X A$, it is with deep pride and respect. With that same tone, Lambda Chi alumni and undergraduates from all over the country speak of Rodger.

In May 1999, **Tim Rasnica, GP 1183** asked Rodger to consider stepping in as Gamma-Rho's Chapter adviser. Though cautious at first, Rodger was won over by the Chapter officers he met.

"When I met the undergraduate membership, I quickly felt comfortable," said Rodger. "There was a real distinction in the quality of these young men. Working with them to create goals, and watching their efforts to achieve what is planned, is incredibly rewarding. Lambda Chi is a values-based organization that teaches men principles of loyalty, duty, respect, sacrifice, and integrity that they cannot learn in other situations in college."

Rodger has employed this passion for $\Lambda X A$ as Gamma-Rho's Chapter adviser for 10 years. He has also served as adviser for Southeastern Oklahoma State University's chapter, originally a colony but chartered within six months under Rodger's watch. Speaking engagements and

leadership training for the national Fraternity fill Rodger's time as well. As a master steward and an impact leadership coach, he has trained Lambda Chis throughout the country at conclaves and general assemblies.

Rodger has been named University of Oklahoma Fraternity Adviser of the Year twice and received $\Lambda X A$'s Order of Merit in 2008. This year, Rodger was nominated and named to Lambda Chi Alpha's national board of directors, the Grand High Zeta. This is the highest fraternal position for a Gamma-Rho to ever hold.

Speaking to this accomplishment, Rodger shared, "It is an honor to serve Lambda Chi on the national board of directors and to represent the brothers of Gamma-Rho. The Fraternity is a great program where members grow into the men they are meant to become and receive the training they need to enter the rest of their life."

THE PATH TO 904 COLLEGE

Alumni Asked to Reflect
Upon the Journey to $\Lambda X A$

"Two roads diverged in a wood, and I—I took the one less traveled by, And that has made all the difference." -Robert Frost

Fall has come again to the OU campus, along with the annual ritual of fraternity recruitment. This time-honored tradition resulted in a new group of associates walking through the doors of 904 College. An association with Lambda Chi Alpha will be different for each man; for some, a rewarding experience that continues after graduation, and, unfortunately for others, just a place to live while in school.

My path to $\Lambda X A$ was by a different route. As a full-of-myself freshman, I was anti-Greek and eschewed rush. One year later, I found myself a sophomore who felt he was missing out on something in his college experience. A friend from high school, who had pledged a sorority, took pity on me and urged me to reconsider fraternity life. She suggested we crash a fraternity party her roommate was going to that Saturday night. It was Western Weekend, the $\Lambda X A$ major fall party. The front of the house was decorated with a faux-western front, the downstairs was a saloon, and the dining room was the dance hall. I met several of the guys and had a great time

Long story short, eventually I was extended a bid. The result for me was a lifelong commitment to Lambda Chi Alpha and a desire to support our Chapter with whatever meager resources I had. All because of a chance meeting on a fall night in 1973, dressed like a fake cowboy, taking the road less traveled.

White Rose Banquet Welcomes Alumni, Parents, and Actives

The White Rose Banquet was held in the university's ballroom last February and was attended by several hundred actives, parents, and alumni. The banquet was preceded by a cocktail hour, during which the Mom's Club held a silent auction to help raise funds for the dining room remodel project.

The banquet's guest speaker was **Larry Bledsoe, GP 465**, who entertained the crowd with his reminiscences of college life—told with his own brand of folksy whimsy. Brother Bledsoe related stories of how he and Brother **Curt Schwartz, GP 455** spent time on the SoHo coffee shop circuit in New York after school in their attempt at stand-up comedy and entertainment. Following Brother Bledsoe, the Bill Stone Outstanding Alumni Service award was given to National Order of Merit award winner **Pepper Haraway, GP 368**. Congratulations, Pepper!

Following awards and speeches, the dance floor was turned over to the younger set and a good time was had by all.

Pepper Haraway, GP 368 was presented with the outstanding alumni service award from Bill Stone, GR 593 and High Alpha Michael Nash, GP 2253.

Alan Harris, GP 541 and guest speaker Larry Bledsoe, GP 465 enjoy the festivities before the annual White Rose Banquet.

Brother Elected to Grand High Zeta

(Continued from front page)

Teaching the men of Gamma-Rho, Rodger exhorts members to live with integrity and stay true to their values. They must stay focused on their goals and recognize that each person is equal and brings strengths to the table.

"I must encourage alumni to become actively involved in the Fraternity. The Gamma-Rho undergraduates are worth the time that alumni invest in the Chapter. The actives are consistent in their involvement on campus and in achieving a G.P.A. over 3.0. Gamma-Rho is the top fraternity on campus, and these young men must continue to receive guidance from alumni."

Outside of AXA, Rodger is vice president and chief operating officer of Steve Owen's insurance agency in Norman. He has been deeply involved in volunteer work over the years with Willow Springs Boys Ranch, the American Red Cross, his church, and Juvenile Services Center for Children and Families.

The Mom's Club took on the task of remodeling the Chapter's dining room. Wall paneling from as early as the 1950s was removed to refresh the room.

Mom's Club Leads the Way on Dining Room Remodel

In early fall of last year, the Mom's Club approached the Sigma Phi Holding Company with a proposal to raise funds to remodel the dining room. One of the mothers noted that the paneling on the wall was the same as when she, as a Kappa, participated in Scandals with the Lambda Chis and practiced in the dining room back in the late 1970s. Board members had to inform her that the paneling was quite a bit older than that; it dated back to when the dining room was added in the '50s!

After receiving approval, the moms planned fundraising efforts, interviewed remodelers and designers, and basically drove the project. Sigma Phi is grateful for their vision and hard work. Special thanks go to Lisa Williams and her husband, David, a noted local builder who volunteered his time and efforts on the remodel; Debi Yates for her work on forming the committees and selecting designs; and to the rest of the moms who played an integral part in the project's success: Kim Dean, Cynthia Dutton, Kim Hodges, Patty Kurtz, and Diane Prince.

The project was completed over the summer and the photos speak for themselves. Many thanks to the AXA Mom's Club!

The winning team beat out more than 140 alumni in the four-man scramble tournament.

\$3,000 RAISED FOR CHAPTER HOUSE IMPROVEMENTS

Loyd Harris Golf Tournament Enjoyed by Nearly 150 Alumni

The annual Loyd Harris Alumni Golf Tournament was held on May 1. The presenting sponsor of the tournament was **Tim Heefner, GP 1467** and the law firm of Goolsby, Proctor, Heefner, and Gibbs. Key sponsors with donations of \$1,000 and above included:

- **Todd Huettner, GP 1594** of Huettner Capital in Denver, Colorado
- **Dr. Rodney Alles, GP 1753** of Coppell, Texas
- The University of Oklahoma Alumni Association, with special regards to V.P. of Alumni Affairs **Rennie Cook, GP 1547**
- **Russell Gibbs, GP 968**

Gamma-Rho alumni descended on Norman for what has become the most anticipated alumni event of the year. A social gathering was held at 904 College on Friday night, prior to the tournament. Alumni from all generations toured the Chapter House and met many of the members. Food was served and a cash bar was set up by Blu Restaurant of Norman.

The next morning, many golfers showed up early to see old friends and hit the driving range before the tournament. Teams played a four-man scramble with more than 140 alumni on the course. When the last team finished, winners were announced and awarded individual trophies, graciously donated by **Coby Greenhaw, GP 1441** and **Paxton Gray, GP 1439**, owners of Case of Champions in Oklahoma City.

It was another successful alumni golf tournament with over \$3,000 raised for Chapter House improvements. A big thank-you goes to our tournament committee of **Nathan Lockhart, GP 1518**, **Craig Parrish, GP 1541**, and **Todd Kahoe, GP 1619**.

Be on the lookout for 2011 Loyd Harris Tournament and Alumni Weekend details; the tournament will be held in early May. If you have any questions, or if you would like to get involved, please e-mail Craig Parrish at rcparrish@mac.com.

Undergraduate Engagement Seen Throughout Campus

Gamma-Rho Scholars

During the spring semester, Gamma Rho Chapter achieved a 3.215 overall G.P.A., which ranked us fourth among all IFC fraternities for the semester, just one-tenth of a point from first place. Twenty-four of our members achieved a 4.0 G.P.A. and another 48 earned a 3.5 G.P.A. or better.

Involvement at OU

Last semester was part of yet another incredible year for Lambda Chi on OU's campus. Parent's Weekend was a wonderful event for us. Besides putting on a terrific Sooner Scandals show with the women of Kappa Kappa Gamma (who we will be partnered with for U-Sing this semester), we also won several campus awards. We are entering the fall semester with two of 12 Campus Activities Council event chairmen; two of nine Big Men on Campus, three of five Outstanding Freshman Males, and several other outstanding award winners and campus leaders. You can see the complete list of Chapter and individual awards on page 4.

Over \$4,000 Raised for Charity

Philanthropy projects remain a high priority for the Chapter and we saw great success last year. We hosted the 24th annual White Rose Pageant and raised \$4,000 for Big Brothers Big Sisters of Cleveland County. Gamma-Rho co-hosted the second annual Swishes for Wishes basketball tournament at the Chapter House with Chi Omega, benefiting Make-a-Wish Foundation. Additionally, we were actively involved in Big Event, Arbor Day, and other small philanthropic events.

Gamma-Rho and Chi Omega hosted the second annual Swishes for Wishes basketball tournament, which benefited Make-a-Wish Foundation.

Intramural Champs

Lambda Chi once again dominated intramurals by winning our 18th intramural championship in 23 years. We finished the year with 640 points, more than 200 points ahead of the second-place team. A significant portion of our points was earned by taking first place in all four big sports—football, basketball, soccer, and softball.

Strong Fall Recruitment

Formal recruitment began August 21 and was extremely fruitful. The Chapter signed 64 new associates for a class filled with several potential Outstanding Freshmen, high school class officers, and National Merit Scholars. If you have any recruitment recommendations, please contact High Delta **Adam Smith, GP 2341** at (405) 808-0621 or adamsmith@ou.edu.

Max Mayfield, GP 714 Presented with Regents Alumni Award

UNIVERSITY RECOGNIZES CAREER IN METEOROLOGICAL EXCELLENCE

In May, **Max Mayfield, GP 714** was presented with the Regents Alumni Award by the OU Board of Regents and OU Alumni Association. Second only to an honorary doctorate degree, this is the highest honor bestowed upon alumni and friends of the University.

After earning a bachelor of science degree in mathematics in 1970, Max launched a highly successful career in meteorology, becoming one of the nation's best-known and respected experts in the field. He served as the director and public face of the National Hurricane Center. In the wake of Hurricane Katrina, he was summoned to testify at six congressional hearings. Max now works as a hurricane specialist for WPLG-TV in Miami and as vice president for America's Emergency Network.

In 2005, President Bush presented Max with the Presidential Rank Award for Meritorious Service. That year, Max was named a Fellow of the American Meteorological Society, based on his contributions as

an invited presenter at many national and international scientific meetings and lectures on behalf of the United Nations and its World Meteorological Organization, as well as countless interviews to media worldwide. He was selected as the Government Communicator of the Year by the national association and was the National Hurricane Conferences Neil Frank Award winner, both in 2006. He was named Person of the Week by the ABC Television Network following Hurricane Katrina.

When asked about joining AXA, Brother Mayfield said he knew from the beginning it was a good fit for him because he felt comfortable with the other members of the Fraternity. Lambda Chi helped him learn to deal with diverse personalities and strengthened his communication skills. Most importantly, he learned to treat everyone with respect. Throughout his career, Max has been a proud AXA brother. In his work with natural disasters and the international community, he always remembers, from his days at 904 College, the importance of treating people with dignity and respect.

Congratulations to Brother Mayfield on this award and a "lifetime of representing what we represent."

GAMMA-RHO LOYALTY FUND CONTRIBUTIONS

Thank You, Alumni

Thank you to all alumni who have contributed to the Gamma-Rho Loyalty Fund. The fund supports the publication of newsletters, contributes to summer recruitment expenses to keep our Chapter competitive on the OU campus, builds up our scholarship funds as needed, and supports other necessary areas of our Chapter and Chapter House.

The donors below have contributed to the Loyalty Fund and are listed in their cumulative giving level. We have updated the list to reflect previous sponsors and donations to our annual Loyd Harris Golf Tournament. We recognize the importance of this event in fostering alumni involvement in our Chapter.

Thank you again for your generous support of Gamma-Rho Zeta. It is making a difference!
