Gamma-Rho Zeta to Honor Capital Campaign Donors

Attend Room Dedication Ceremony Dad's Day Weekend

Remember this. Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously - 2 Corinthians 9:6

The Sigma Phi Housing Corporation, Gamma-Rho Zeta Alumni Association, and the capital campaign committee are grateful to all of our alumni and friends who pledged and donated to the *Continuing our Tradition of Excellence* campaign. You have helped us re-plant the “withered and ugly seed” that was our Chapter House into “good ground” where it can flourish to house future generations of Lambda Chis. More than 2,600 young men have passed through its doors and called it home in the 85 years of its existence at the University of Oklahoma. Only two other fraternities on campus approach that record of longevity.

We now have a house that is safe, healthy, and one to be proud of. It houses undergraduate brothers who set the standard for fraternities at OU. No other chapter has won as many

President’s Trophy awards for outstanding fraternity on campus; awards for grades, intramurals, philanthropy, community service; national fraternity awards; as well as individual awards for our brothers.

Your alumni association would like to announce a room dedication ceremony on the Saturday of OU’s Dad’s Day game against Iowa State, Saturday, November 7. There will be a tailgate party and a brief awards ceremony for our key donors with the plaques that will be affixed to the rooms in the house that, through their generous donations, qualify for our room naming awards. We hope all alumni can attend, whether attending the game or not.

Our honorees are:

- **Don Sherman, GP 374**
- **David Magstadt, GP 1612**
- **Raj Patel, GP 1120**
- **Matt Porter, GP 1615**
- **Ron Elkins, GP 393**
- **Conrad Masterson, GP 581**
- **Truman Edminster, GP 855**
- Carrie Lou and Jim Draper
In memory of **Garrett Draper, GP 1310**

• **Dr. Kevin Hook, GP 1427, Scott Mabrey, GP 1498, Tim Clay, GP 1466, Travis Carter, GP 1422, Darren Loftis, GP 1486, John Weaver, GP 1435, and David Willis, GP 1431**

In honor of **Mike Dicus, GP 1430**

• **Dr. Rennie Barnes, GP 1535 and Craig Parrish, GP 1541**

• **Dennis Cameron, GP 1043, Truman Edminster, GP 855, and James McCarthy, GP 794**

In memory of **Davis Cameron, GP 874** and **Max Cameron, GP 2239**

Please join us in honoring these generous friends and alumni, especially if you have not had the opportunity to tour our renewed Chapter House.

I will end with this. As the seed has been planted in good ground, it still requires “light and water” to flourish. There is still a need for alumni contributions and room naming rights are still available.

Yours in Z.A.X.,
Bob Canfield GP 876

President, Sigma Phi Housing Corporation

Gamma-Rho Zeta is hosting a room dedication ceremony at the Chapter House on Saturday, November 7. We hope to see many loyal alumni back at the Chapter House to honor our donors. There will also be a tailgate party before the Dad's Day game vs. Iowa State!

BEING A LEADER IN GAMMA-RHO ZETA

J.D. Baker, GP 2648 Reflects on His Lambda Chi Alpha Experience

J.D. Baker, GP 2648 joined Lambda Chi because he felt a strong presence of brotherhood and knew that he could develop into a better version of himself through the values and relationships he formed through the brotherhood. **Jake Pasdach, GP 2473, David Doshier, GP 2593, Brandon Turney, GP 2664, Parker Randels, GP 2646** and **Jimmy Kaczmarek, GP 2430** were the biggest influences in his decision. Each of them took personal time to speak with him about who he was and what Lambda Chi Alpha stood for. “I knew these were men I wanted to call my brothers and spend a lifetime with.”

J.D.’s undergraduate experience has been met with many trials, but with many triumphs as well. He believes that he has grown into a better person because of the people he *(Continued on page 3)*

GENEROUS ALUMNI MAKE SCHOLARSHIPS POSSIBLE

More Than \$7,000 Raised

In spring 2015, alumni generously responded to our call for supporting Gamma-Rho Zeta and gave \$7,145 to Lambda Chi at the University of Oklahoma. These funds will be used to provide scholarships and leadership opportunities to our undergraduate members. The accomplishments and success enjoyed by our undergraduates are directly attributed to the ongoing and loyal support from our alumni.

Family and Brotherhood in Lambda Chi

Brian Ringer, GP 1296 Shares His Experience

"From day one, Lambda Chi was more than a fraternity to me. The members and associates became another family," shares **Brian Ringer, GP 1296**. Through his membership, he has been able to develop lifelong friendships and learned skills that have helped to shape his life today.

One of Brian's fondest memories is the day he signed with Lambda Chi Alpha. Despite having a member of another fraternity tell him to rip up his pledge card and join a different house, Brian knew that Lambda Chi is where he wanted to be. During his undergraduate years, he spent time making memories at destination unknown parties and recruiting trips. "My associate brothers and I set out to do great things on campus and I think that translated to the real world too."

Many of the lessons Brian learned at Gamma-Rho Zeta have helped him throughout his professional and personal life. "Lambda Chi Alpha taught me about working with others and how to respect leadership." He has been very successful in the technology world, working for several companies in web hosting, media, and software development roles.

When asked about what advice he would give to the undergraduate members, he said, "Enjoy college, study, innovate, lead, and support your campus and Chapter, but also try to accomplish something great while you are here."

Brian worked on campus for seven years, which allowed him to remain involved with Gamma-Rho Zeta. He has served on the alumni association for several years and is the current president. "I've been surprised by how little things have changed in the house and the membership; this is still a top Chapter on campus." He has been impressed with the high quality of brothers who continue the Chapter's legacy.

He and his wife, Kristan Gray Ringer, *Delta Delta Delta*, have two children, Gray Michael and Aimee Grace. Their children want to follow in their parents' footsteps and join the same Chapters they did. He remains busy keeping up with their children's sports and being outside. Brian keeps in contact with many Lambda Chi brothers who live in Norman and through social media. Contact Brian at brianringer1@gmail.com.

Winners of the A flight at the annual Loyd Harris Alumni Golf Tournament.

17th Annual Loyd Harris Alumni Golf Tournament

The 17th annual Loyd Harris Alumni Golf Tournament was a huge success! We had more than 100 alumni in Norman to participate in the event. I would like to extend a special thanks to all of our sponsors; we couldn't host the tournament without their continued support!

Also thanks to the tournament committee and their efforts to host another outstanding event. We wouldn't have the event without the planning of **Craig Parrish, TP 1541**, **Todd Kahoe, TP 1619**, **Colby Korsun, TP 2061**, and **Tyler Woodward, TP 2122**. Thank you, brothers!

Alumni competed in two flights, and the course had two longest drive and two closest to the pin competitions. After a two hole playoff, the winning team of A flight was **Henry Benton, TP 2205**, Tyler Woodward, **Miles Terry, TP 2082**, and Colby Korsun. The winners of Flight B, after a scorecard playoff, were **Craig Parrish, TP 1541**, **Justin Hiersche, Kyle McCord**, and **Drew Mildren**. Thank you, **Coby Greenhaw, TP 1441** and Paxton Grey, owners of Case of Champions in Oklahoma City, for donating the trophies that were presented to the winner!

A save the date for the 2016 tournament will be posted online later this year, so be on the lookout. We are also looking for someone to chair the raffle sub-committee and hole sponsor sub-committee. If you have ever wanted to help organize the Loyd Harris Golf Tournament, please contact Craig at rparrish@mac.com.

Gamma-Rho Zeta Remains on Top at OU Success in Academics, Intramurals, and Philanthropy

While closing out the school year, Gamma-Rho Zeta proved to go above and beyond of what was expected. The members set the bar high for the next school year and are excited for the fall semester.

Chapter Wins Sooner Scandals

Gamma-Rho Zeta finished up the spring semester by winning Sooner Scandals with the women of Gamma Phi Beta, placed third in academics, and second in intramurals. Additionally, sophomore **Blake Pettigrove, TP 2592** won best male lead and overall we won best set and vocal performance. Lambda Chi is paired with the women of Pi Beta Phi for the annual University Sing in the fall.

Gamma-Rho Zeta Wins Multi-Cultural Award

A furious finish to the intramural season brought us just short of another championship, placing second overall. We continue to excel academically, finishing third among fraternities in grades with a 3.10 GPA. The Chapter continues to have a strong presence in on-campus activities. We won President Boren's Multi-Cultural Award. With recent adversity on campus, this award was given much emphasis and a strong recognition.

More Than \$7,000 Raised for Big Brothers Big Sisters

Our service to the community continued with our annual White Rose Pageant that raised \$7,400 for Big Brothers Big Sisters of Norman. Additionally, we hosted a car wash for our national philanthropy, Feeding America, which raised more than \$200 and 2,000 pounds of food. **Zak Anderson, TP 2540** was chairman for

The men of Gamma-Rho Zeta were paired with the women of Gamma Phi Beta for Sooner Scandals this past spring.

Relay for Life, a campus-wide event that raised more than \$180,000 for the American Cancer Society this past spring.

Ambitious Goals for Fall Semester

We have signed yet another promising associate class that will be the future of Gamma-Rho Zeta, and we look forward to being the best on campus again. With our momentum and potential, we have the ability to be something to put in the record books. We look to winning the President's Trophy with our promising goals in the fall. I, along with the rest of the men of Gamma-Rho Zeta, extend our hand and reach out to any alumni that have yet to see the renovated Chapter House and experience a football game day unlike any other. We hope all is well and look forward to this year!

BEING A LEADER

(Continued from page 1)

surrounds himself with, especially his brothers at Gamma-Rho. "I love the bond we have here and hope to continue it for more years to come." One of the many traditions that J.D. enjoys at Gamma-Rho is Wednesday dinner. He likes the opportunity to share a meal with his brothers, whether they're a senior or a freshman.

The Chapter has taught J.D. how to lead others effectively. "Our Chapter, university, even the world would be lost without leadership. Leadership provides direction and a purpose to a cause or an organization. Leadership comes as a great responsibility, but also a great reward. It is an

opportunity to develop more of oneself and serve others. There's only one type of leadership: servant leadership. When a leader has learned how to follow and serve others, then there's nothing he can't do and nowhere he can't go."

J.D. is from Edmond, Okla., where he attended Edmond Santa Fe High School. He is double majoring in public relations and public affairs and administration. He is also serving as house manager for the 2015-16 school year.

Notice of Annual Meeting

The annual meeting for members of the S.P. Holding Company and the Gamma Rho Alumni Association, non-profit Oklahoma Corporations, will be Sunday, October 25, at 3:30 p.m. at the Chapter House (904 College, Norman, Oklahoma).

The meeting will be convened for the following purposes:

- To elect officers and directors to serve for the ensuing year until the next annual meeting of members.
- To act upon other matters as may properly be heard before the meeting.

This meeting is being held as specified in Section IV of the bylaws of the corporation.
